

## Parents' Nursery Guidelines

***It is our desire to make the nursery here at Grace Christian Church a pleasant and safe environment. We therefore have certain guidelines to help things run smoothly. The nursery is for children ages 4 weeks through 2 years old. We expect that the nursery will run as a cooperative effort. Therefore each parent will be expected to take a turn in serving in the nursery.***

### Illness

1. Do not bring in children who have had a fever or have vomited in the past 24 hours.
2. Do not bring in children if they have green or yellow runny noses.
3. Do not bring in children with any unusual rash unless cleared by your physician.

### Labeling

1. Please label all cups, bottles, diaper bags, or snack bags at home.
2. Help the nursery worker place a name label on the back of your child before you leave for service.

### Sign in/out

1. We require that the parent sign their signature when dropping off the child.
2. The parent will then sign again when picking up, for security reasons.
3. Children will only be signed out to their parent. Siblings cannot pick up the child.
